Irish Electricity Map (Electricity Generation and Transmission), 6th Edition

Description: This full colour map shows the electricity transmission and distribution system in Ireland (north and south) from 400kV down to the 33kV/38kV Distribution System together with substations which are named. The map also shows all generating stations attached to it and are shown by type. Both fossil fuel and renewable energy projects are shown either built or with planning Permission. The operators name and generating capacity are also included. An additional feature is that offshore wind exploration licences and leases for wave and tidal projects are included.

Size: B1 (707 x 1000mm)
