Institutional Investor - International Edition

Description: Now entering its fifth decade, Institutional Investor has consistently distinguished itself among the world's foremost financial publications with ground-breaking journalism and incisive writing that provides "must read" intelligence for a global audience. This award-winning magazine is essential reading for the world's leading financiers, corporate executives and government officials, who rely on the breadth and depth of coverage that have made Institutional Investor such a premier publication.

Institutional Investor's unique ability to uncover breaking stories and tell the 'inside story' set it apart from the competition and is why it remains such an important source of information for our discerning audience.

Throughout the year, Institutional Investor offers a host of proprietary research and rankings that serve as respected industry benchmarks, informing and influencing its carefully targeted circulation base throughout the year.

Our readers control portfolios worth hundreds of billions of dollars. Whether they're investing on behalf of pension plans, insurance companies, non-profit endowments, hedge funds or other financial institutions, they look to Institutional Investor for the advice and information they need.

In the United States Institutional Investor is read by more professional investors than Forbes, The Economist, Fortune and Pensions & Investments. In Europe it's the top monthly magazine with Private Equity Managers, and in the UK and China it's the No. 1 monthly with managers whose funds total $1 billion or more.
