Hospital Healthcare Europe Subscription

Description: Hospital Healthcare Europe is the essential resource for European hospital personnel, with more than 130 informed articles and case studies, individual sections on facilities management, IT and communications, laboratories, radiology and imaging, theatre and surgery, clinical care, nursing and patient care, pharmacy and therapeutics.

Hospital Healthcare Europe is produced in association with HOPE, the European Hospital and Healthcare Federation, and distributed to leading hospitals throughout Europe.

Published annually, Hospital Healthcare Europe provides hospital healthcare professionals with an invaluable state-of-the-art overview of their field through articles from the biggest names in Europe.

Hospital Healthcare Europe is the official publication of HOPE, and the most powerful information source for public hospitals within the EU. Each issue looks at important issues relevant to hospital chief executives.

All key aspects of Hospital management are elaborated upon in the editorial content of Hospital Healthcare Europe:

- Management reviews – Key hospital management topics, innovations and best practice. All articles include value added "extras" such as useful contacts, related websites, links, recommended literature and other resources.
- Facilities management – Examinations of facilities management and cost effective practice.
- Management focus – A platform for learning the latest issues and management techniques.
- "Europe wide" – The perspectives from leading EU institutions
- Key news stories – Extensive coverage of the issues of the day, including a round-up of the latest research and in-depth news features on hot topics with comments from key opinion leaders.
- Book reviews – Comments from experts on new publications.
- Plus … Opinion-leading editorial comments, regular and guest columnists, reviews of new resources and details of international courses and events.

Online hospitalhealthcare.com is a free service designed to complement the annual Hospital Healthcare Europe and Private Hospital Healthcare Europe publications. It is aimed at hospital chief executives and department heads.

The site features daily news and offers a popular weekly email bulletin delivered direct to the user’s inbox. Users can engage in debate by posting comments and voting in polls, and read exclusive commentary and reports from the field.

At the heart of the site is content from Campden Publishing's Hospital Healthcare Europe and Private Hospital Healthcare Europe publications, with access to the latest issues of each.

About HOPE

This nongovernmental European association, which was created in 1966, has been since 1995 an international association for social gain. HOPE includes national hospital associations or representatives from the national health systems of the Member States of the European Union (except Poland), plus Bulgaria, Romania and Switzerland as observer members.

Hospital Healthcare Europe is the official publication of HOPE and the most powerful annual update for and on public hospitals within the EU.
