Abaxis Inc.

Description: At Abaxis our mission is to supply point of care blood analyzers to the medical market and the veterinarian market. Abaxis provides leading edge technology, tools and services that support best medical practices, enabling physicians and veterinarians to respond to the health needs of their clients at the point of care while operating economical and profitable practices. Abaxis is headquartered in northern California, USA, and conducts operations around the world. The Abaxis Laboratory System consists of a compact, chemistry analyzer capable of electrolytes, blood gas and immunoassays, a complete easy to use hematology analyzer and a series of 8-cm diameter single-use plastic discs, called reagent rotors, which contain all the necessary reagents to perform a fixed menu of tests. The System can be operated with minimal training and perform multiple tests on whole blood, serum or plasma. The System provides test results in minutes with the precision and accuracy equivalent to a clinical laboratory.
