Debit Cards in the United Kingdom

Description: Contactless payments continued to gain in popularity across the UK in 2016. UK Cards Association reported that there were 159.1 million contactless transactions during February 2016; equivalent to around 63 transactions per second. The contactless payment limit of GBP30, which was introduced in September 2015, has been more beneficial to debit cards than credit cards as consumers tend to pay on credit for more expensive purchases.
