Why subscribe?

- Interfax Global Energy Services has a Global focus, as opposed to other providers who focus on one region such as the US.
- Content is unique in dealing with global and regional political, regulatory, and economic issues that affect the natural gas industry rather than other providers who focus primarily on pricing and spot market trends.
- Interfax Global Energy Services' newsletters contain analysis and statistics in addition to news.
- Newsletters are delivered daily enabling industry professionals to always be in the loop.
- We get the breaking stories and interviews first
- Our premium content package provides access to company and country profiles.
- Interfax Global Energy Services provides detailed research on Global LNG projects – all planned and existing liquefaction plants and import terminals and Major global gas pipeline projects – planned and existing.
- Over 50% of our content is exclusive to Interfax Global Energy Services and is found nowhere else.

Key message:

With an experienced team of energy reporters around the world focused exclusively on the gas industry, IGES can provide full and accurate coverage of regional gas and global LNG markets.

Drawing on the resources of parent company, Interfax, the news team can deliver exclusive, accurate and up-to-date intelligence on developments in the Russian and CIS gas markets, as well as all global regions.
