Alpha Portfolio

Description: Key Features of this annual subscription include:

ONE ALPHA STOCK EVERY MONTH
You will get a detailed and easy to understand report (covering sector analysis, detailed analysis of the past record of the company, Management Q&A based on meetings with the management, price target and time frame) of Alpha stock idea every month. Since most of Alpha's stock ideas will be from Mid cap space, a meeting with the distributors, the competitors and the management of the company is considered an integral part of the research and ask the tough questions that others can't or won't.

These would be high quality businesses: stocks of companies which:

- Have the ability to generate high returns on capital employed because of the presence of a sustainable moat;
- Can grow earnings at a rapid pace without requiring access to outside capital markets;
- Are run by able, honest, and owner-oriented managers; and
- Can be purchased at valuations where the growth component of value comes free.

REAL-TIME BUY AND SELL ADVICE
Receive instant email/sms notifications when the team is about to invest a portion of their real-money portfolio in a portfolio candidate — or when they're ready to trim a position they're no longer sure of.

A MODEL PORTFOLIO
Get a Model Portfolio every month which you might want you to replicate at your end.

ALL BACK ISSUES
Every back issue of the Alpha, so you can read every recommendation that has ever been published.

ALPHA WEEKLY
Get the latest news on Alpha's recommendations straight from the research pit, so you'll always know exactly where those recommendations sit and where they're headed next.

INVESTING LESSONS
Everything you need to become a better, more intelligent investor. From the ins and outs of financial statements to valuing companies — you receive new lessons every month.

24X7 CUSTOMER SUPPORT

User Profile: Is Alpha suitable for you?

Alpha is looking for association with like-minded clients as it strongly believes in the fact that Quality of clients determine the quality of service and therefore like to extend its invitation to the investor:

- Who looks at ownership of stocks as partial ownership of businesses
- Who is patient and serious about sustainable and long term wealth creation
- Who understands the fact that stock prices are the slave of earnings and sooner than later they start reflecting the same.
- Who doesn't have a phobia of watching his investments go down by 5-10% over the short term
- Who is patient enough to hold a good undervalued stock for a period of 1 year and more
- Who does not get enough time to research and need complete guidance and handholding regarding for his/her investment decisions.
- Who researches and invests himself, however looking for a source of good stock ideas
If you believe in this philosophy, then Alpha was made for you.
