Exchanges Handbook Online

Description: The 1200 page Handbook of World Stock, Derivatives and Commodity Exchanges provides trading, settlement and organisational information about 250 exchanges in over 100 countries and regions.

No other publication provides a one-stop information source on equities, futures and options to this level of detail.

No other directory contains this many countries or exchanges.

The handbook is available in hardcopy and online. The online version is regularly updated.

The online version of the Exchanges Handbook gives instant access from your computer to the same rich depository of information as found in the printed version, but continually updated throughout the year.
