Monthly Container Port Monitor (one-year subscription)

Description: The ISL Monthly Container Port Monitor (MCPM) is the ideal tool for keeping track of the most recent container traffic developments. It allows ports and operators to benchmark their performance against the latest regional and global trends.

The MCPM is based on approx. 60 major world container ports handling more than half of total world container traffic. It includes:

- Container traffic growth compared to previous month and compared to same month last year per range
- Quarterly traffic in TEU per port
