Environmental Compliance: A Simplified National Guide

Description: Environmental Compliance: A Simplified National Guide provides a hands-on approach to environmental compliance, as well as an effective means of keeping records. Using a question-and-answer format, it includes detailed coverage of federal laws and references the leading state legislation governing environmental and occupational health and safety, transportation management, and facility and homeland security. This Guide is ideal for both small- and large-quantity generators of hazardous waste.

State Differences Summaries and Checklists can be purchased to complement this Federal Guide: Available for 49 states including Puerto Rico; California is available as a separate Guide.
