Electromagnetic Shielding. Wiley Series in Microwave and Optical Engineering

Description: The definitive reference on electromagnetic shielding materials, configurations, approaches, and analyses

This reference provides a comprehensive survey of options for the reduction of the electromagnetic field levels in prescribed areas. After an introduction and an overview of available materials, it discusses figures of merit for shielding configurations, the shielding effectiveness of stratified media, numerical methods for shielding analyses, apertures in planar metal screens, enclosures, and cable shielding. Up to date and comprehensive, Electromagnetic Shielding:

- Explores new and innovative techniques in electromagnetic shielding
- Presents a critical approach to electromagnetic shielding that highlights the limits of formulations based on plane-wave sources
- Analyzes aspects not normally considered in electromagnetic shielding, such as the effects of the content of the shielding enclosures
- Includes references at the end of each chapter to facilitate further study

The last three chapters discuss frequency-selective shielding, shielding design procedures, and uncommon ways of shielding areas ripe for further research. This is an authoritative, hands-on resource for practicing telecommunications and electrical engineers, as well as researchers in industry and academia who are involved in the design and analysis of electromagnetic shielding structures.

Contents: Preface.

1. Electromagnetics behind Shielding.
2. Shielding Materials.
3. Figures of Merit for Shielding Configurations.
4. Shielding Effectiveness of Stratified Media.
6. Apertures in Planar Metal Screens.
7. Enclosures.
8. Cable Shielding.

Appendix A. Electrostatic Shielding.
Appendix B. Magnetic Shielding.
Appendix C. Standards and Measurement Methods.

Index.

Ordering:
Order Online - http://www.researchandmarkets.com/reports/2171419/

Order by Fax - using the form below

Order by Post - print the order form below and send to

Research and Markets,
Guinness Centre,
Taylors Lane,
Dublin 8,
Ireland.
Fax Order Form
To place an order via fax simply print this form, fill in the information below and fax the completed form to 646-607-1907 (from USA) or +353-1-481-1716 (from Rest of World). If you have any questions please visit http://www.researchandmarkets.com/contact/

Order Information
Please verify that the product information is correct.

- Product Name: Electromagnetic Shielding, Wiley Series in Microwave and Optical Engineering
- Web Address: http://www.researchandmarkets.com/reports/2171419/
- Office Code: SC

Product Format
Please select the product format and quantity you require:

**Quantity**

Hard Copy (Hard Back): USD 133 + USD 30 Shipping/Handling

* Shipping/Handling is only charged once per order.
* The price quoted above is only valid for 30 days. Please submit your order within that time frame to avail of this price as all prices are subject to change.

Contact Information
Please enter all the information below in **BLOCK CAPITALS**

- Title: Mr [ ] Mrs [ ] Dr [ ] Miss [ ] Ms [ ] Prof [ ]
- First Name: ___________________________ Last Name: ___________________________
- Email Address: * ___________________________
- Job Title: ___________________________
- Organisation: ___________________________
- Address: ___________________________
- City: ___________________________
- Postal / Zip Code: ___________________________
- Country: ___________________________
- Phone Number: ___________________________
- Fax Number: ___________________________

* Please refrain from using free email accounts when ordering (e.g. Yahoo, Hotmail, AOL)
Payment Information

Please indicate the payment method you would like to use by selecting the appropriate box.

☐ Pay by credit card: You will receive an email with a link to a secure webpage to enter your credit card details.

☐ Pay by check: Please post the check, accompanied by this form, to:
Research and Markets,
Guinness Center,
Taylors Lane,
Dublin 8,
Ireland.

☐ Pay by Wire Transfer: Bank details will be provided on the invoice which you will receive after you place your order with us.

If you have a Marketing Code please enter it below:
