CampdenFB (Family Business)

Description: Published since 2001, CampdenFB (Family Business) magazine has provided business-owning families of substantial wealth with the knowledge, insight and vital business intelligence they require for successfully managing their enterprises and supporting their families.

With access to chief executives of the world's leading family businesses, and commentary from top experts, CampdenFB probes the spectrum of issues facing ultra-high net worth, multi-generational family businesses.

Each quarterly issue contains exclusive interviews with top family business leaders, dedicated sections on all aspects of family finance, governance and the next generation, timely special reports – such as philanthropy and emerging markets – plus commentary and debate, news analysis and lifestyle features.

Columns from experts in finance, investment, governance and lifestyle issues provide insightful perspective, while CampdenFB journalists update family business/family office and investment stories daily. An e-bulletin is also distributed to subscribers twice every week.

Campden conducts reader surveys polling a range of compelling topics, and last year launched the Family Business Leader of the Year award, where readers voted for an individual who has demonstrated significant leadership in the field over the course of the year.

Also offers visitors access to a fully searchable directory of service providers. Beyond expert views and daily news and features, Campden brings readers regular power lists - like the top 100 family businesses in Europe and North America, the top 50 family business leaders and next-generation leaders - as well as reader surveys and videos.

CampdenFB (Family Business) is published on a Quarterly basis.
