CampdenNXG - A Campden Wealth Publication

Description: Joining the Campden Wealth publications, CampdenNXG was launched in 2012. NXG is aimed at next-generation business leaders, entrepreneurs and investors around the world – those individuals who are changing the world now, or about to. The magazine is packed full of interviews with Generation Xs and Ys who are already changing their families’ businesses or creating their own. It will also have pertinent columns by big-name writers, and there's a lifestyle section with plenty of mouth-watering cars, properties, travel destinations and restaurants. The magazine will be distributed with CampdenFB on a quarterly basis.

Campden FB magazine has provided business-owning families of substantial wealth with the knowledge, insights and vital business intelligence they require to manage their enterprises and their families successfully. Each quarterly issue contains exclusive family interviews, dedicated sections on all aspects of finance, governance and the next generation, timely special reports, comment and debate, news analysis and lifestyle features.

Supported by the Family Business Network, Campden FB is a controlled circulation publication that is delivered exclusively to 9,000 qualified families.
