Hacking Leadership. The 11 Gaps Every Business Needs to Close and the Secrets to Closing Them Quickly

Description:

"I love this book! Mike Myatt hooked me at the Prologue and had me engaged until the end. Hacking Leadership is insightful, stimulating, and entertaining—rich in wisdom and long on practicality. It has so many golden nuggets of learning that I know I'll return to it often for expert advice and counsel. Besides that, it's just plain fun to read. My nomination for the short list of best business books of the year."

Jim Kouzes, coauthor of The Leadership Challenge and Executive Fellow of Leadership, Leavey School of Business, Santa Clara University

"Mike Myatt's Hacking Leadership could well be the leadership book for our time, practical, plain speaking, robust and of the moment."

Stuart Crainer, cofounder of Thinkers50

"Leveraging his accumulated wisdom as a highly regarded executive coach, Myatt has beautifully moved to the far side of complexity in today's leadership challenge with simple, direct, timely and proven guidance for lifting every leader's ability to contribute and advance. A must-read for the aspiring leaders of today and tomorrow."

Douglas R. Conant, Chairman, Avon Products, Chairman, Kellogg Executive Leadership Institute at Northwestern University; former President, CEO and Director of Campbell Soup Company

"Tremendous! Mike Myatt has written a superb book on leadership that is exceptionally timely and relevant for our world today. This book is both deeply insightful as well as intensely practical—a rare combination. I will highly recommend Hacking Leadership to leaders everywhere, at every level, and in all walks of life."

Stephen M. R. Covey, author of The New York Times and #1 Wall Street Journal bestseller, The Speed of Trust, and coauthor of Smart Trust

"The ideas in Mike Myatt's Hacking Leadership will challenge you—but they are achievable and waiting for you to put them into action. Read this book, apply its concepts, and prepare to move light-years ahead in your leadership journey."

Ken Blanchard, coauthor of The One Minute Manager and Trust Works!

"Mike Myatt's Hacking Leadership is a must-read...Mike combines insightful yet practical commentary with in-the-trenches leadership experience few can match. I would highly recommend this text to anyone looking to become a better leader."

Vijay Govindarajan, Professor at Tuck School of Business at Dartmouth and the author of The New York Times bestseller Reverse Innovation
