Polyurethane International Report

Description: This report offers a monthly monitoring service, providing an in-depth market overview and a report on pricing for key chemical intermediates, its feedstocks and derivatives. Market events for the previous and current month, pricing, trade, supply/demand issues and capacity changes are discussed.

Factors such as the economy, energy and feedstock costs and their impact on the market are analyzed. A price monitor lists contract and spot prices by region. The information gathered is largely based on personal contacts with producers and consumers in the countries the world over.
