Developments in Turbomachinery Flow

Description: Developments in Turbomachinery Flow: Forward Curved Centrifugal Fans explores the forward curved squirrel cage fan as an excellent instrument for fluid mechanics research in turbomachines.

The book explores phenomena such as jet/wake interaction, circulation, separation and noise in turbomachines, also addressing the characteristics that are specific to this fan and applications in other centrifugal turbomachines.

Chapters begin with a general introduction that includes research techniques and a survey of older research, and then proceed into a detailed description of improvements for different parts of the fan, including the inlet, the rotor and the volute. Final sections include a comprehensive discussion on geometrical modifications that could improve performance without impacting cost.

- Explores how forward curved centrifugal fans have wide industrial application
- Discusses the strong trade-off between fan aerodynamics and construction cost
- Provides a wide selection of optimums for geometrical configuration
- Introduces new geometries that can improve performance and reduce noise for the same construction cost
- Presents fluid phenomena as a potential research field for this fan

Contents:
- General introduction of squirrel cage fan
- Inlet configuration
- Rotor
- Volute
- The rotor-volute interface
- Fan simulation
- Fan noise
- Flow field study based on non-intrusive measurements

Ordering:
- Order Online - [http://www.researchandmarkets.com/reports/3049122/](http://www.researchandmarkets.com/reports/3049122/)
- Order by Fax - using the form below
- Order by Post - print the order form below and send to Research and Markets, Guinness Centre, Taylors Lane, Dublin 8, Ireland.
Fax Order Form
To place an order via fax simply print this form, fill in the information below and fax the completed form to 646-607-1907 (from USA) or +353-1-481-1716 (from Rest of World). If you have any questions please visit

Payment Information

Please indicate the payment method you would like to use by selecting the appropriate box.

☐ Pay by credit card: You will receive an email with a link to a secure webpage to enter your credit card details.

☐ Pay by check: Please post the check, accompanied by this form, to:
Research and Markets,
Guinness Center,
Taylors Lane,
Dublin 8,
Ireland.

☐ Pay by Wire Transfer: Bank details will be provided on the invoice which you will receive after you place your order with us.
