Nike: Company Profile

Description: This company profile offers a comprehensive analysis of the organization, its business segments, and competitors. It analyzes the business and marketing strategies adopted by the company, to gain a competitive edge in the industry. The profile also evaluates the strengths of the company and the opportunities present in the market.

This profile is of immense help to management consultants, analysts, market research organizations and corporate advisors.

The objective and scope of various sections of our company profile has been discussed below.

Company Summary
This section presents the key facts & figures, business description, products & services offered and corporate timeline of the company.

Company Analysis
It involves analysis of the company at three levels – segments, organizational structure and ownership composition. Both business and geographic segments are analyzed along with their recent financial performance. It further discusses the recent merger & acquisitions.

Business Developments
This section examines the significant developments that have taken place in the company. It is a form of news analysis where the most critical company news is discussed.

Discussion of Business Strategies
This section talks about the current and future strategies of the company. All business, marketing, financial and organizational strategies are discussed here.

SWOT
Our SWOT Analysis is a valuable step in assessing your company's strengths, weaknesses, opportunities, and threats. It offers powerful insight into the critical issues affecting a business.

Financial Performance
It discusses the most recent financials of the company and also compares the historical sales & income figures with the current and projected figures. The objective is to evaluate the financial health of the company. The analyst opinion and stock performance help us in evaluating the performance of the company from an investor's viewpoint.

Competition Synopsis
This section compares the company with its peer group. The comparable analysis and stock movement are aimed at giving an overview of the competitive landscape in the industry and the company's positioning in its peer group.
